PUBLIC WORKS COMMITTEE

The Public Works Committee of the City-County Council met on Thursday, May 10, 2007. Acting Chair Mary Moriarty Adams called the meeting to order at 5:09 p.m. with the following members present: Patrice Abdullah, Scott Keller, Dane Mahern, Mike Speedy, and Ryan Vaughn. Absent were Ginny Cain, Chairman Lonnell Conley, and Angela Mansfield.

PROPOSAL NO. 212, 2007 - authorizes parking meters on 11th Street near Dr. Martin Luther King, Jr. Street (District 15)

Larry Jones, Assistant Administrator, Department of Public Works (DPW), said that Proposal No. 212, 2007 will add parking meters on the south side of 11th Street near Dr. Martin Luther King Jr. Street. He said that the parking meters were requested by Stephanie Quick, Project Manager, Department of Metropolitan Development (DMD). He said that the meter request is to allow for a parking terminal in the area as part of the Buggs Temple renovation and development, which will result in retail outlets. Mr. Jones said that the parking meters that will be installed on the south side of 11th Street will be installed on both sides of an existing loading zone.

Councillor Abdullah said that this request has been anticipated and is something that appears to be reasonable.

Councillor Mahern asked approximately how many meters will be installed. Mr. Jones answered that he is not sure of the exact number, but he can provide that information to the Committee at a later time. He said that approximately 20 feet is allotted per meter.

Councillor Abdullah moved, seconded by Councillor Speedy, to forward Proposal No. 212, 2007 to the full Council with a "Do Pass" recommendation. The motion carried by a vote of 6-0.

PROPOSAL NO. 213, 2007 - authorizes a parking meter blackout on May 25, 2007 to encourage veterans and citizens to observe the 500 Festival Memorial Service on Monument Circle

Michael Rogers, Executive Assistant, DPW, said that this proposal is put together annually to block out all the parking meters north to St. Clair Street, east to East Street, west to West Street, and south to South Street to allow for attendance at the Memorial Day service on the Circle.

Councillor Abdullah moved, seconded by Councillor Mahern, to forward Proposal No. 213, 2007 to the full Council with a "Do Pass" recommendation. The motion carried by a vote of 6-0.

Conclusion

With no further business pending, and upon motion duly made, the Public Works Committee of the City-County Council was adjourned at 5:14 p.m.

Respectfully Submitted,

Lonnell Conley, Chair
